MEMORANDUM FOR: Deputy Inspector General

SUBJECT: IG Investigation of Chinese Embassy
Bombing (1999-5812-IG)

This memorandum is to inform you that the Agency Accountability Board has completed a preliminary review of the actions and performance of the CIA personnel identified in the Inspector General's Report of Special Investigation: Bombing of the Chinese Embassy in Belgrade (1999-5812-IG). In conducting this review, the Board has identified a number of issues that need to be clarified before passing final judgment about the performance of certain individuals. Accordingly, the Board requests that you follow up on the attached list of questions that the IG report itself does not answer. Your timely response will assist the Board in determining appropriate administrative penalties in this matter.

David W. Carey 0

China Embassy Bombing Accountability Board
Questions for the IG

1. Who asked [] methodology?
2. To whom did [] give his final product?
3. Who normally gave [] his assignments?
4. What was the normal process for review of [] work?
5. Who decided whether [] work was acceptable []
6. How far through the "targeting" process did the [] target nomination packages [] make it? What processes were followed in preparing those packages?
7. Did [] convey to [] any uncertainty with regard to the location of the FDSP target?
8. What instructions did [] give to [] with regard to any location uncertainty?
9. Did the OIG interview [] If so, please provide the Board with a transcript.
10. Does the IG have a copy of [] 15 April e-mail inviting people from various components to the 16 April meeting to discuss the FDSP target nomination package? If so, please provide the Board with a copy.
11. What explanation does [] have for not raising his concerns regarding the location of the FDSP target with D/ADCI/MS []
12. Why did [] on 7 May 1999, the day of the bombing, not inform his supervisor [] D/ADCI/MS [] or ADCI/MS Rod Isler of his conversation with [] that we might have targeted the wrong building?
13. Was the need for overt targeting procedures writ large ever brought to the attention of D/OTI Jami Miscik? If so, what actions did she take or direct to be taken?
